Subject: Date for next San Mateo Conference Call

I would like to schedule a call for next week for San Mateo- my preference would be either Monday the 17th or Wednesday the 19th. Can you give me an update on the review so far- and would it be possible to get any bullets/issues that to date prior to the call? Once I have everyone's availability I will schedule the call- If we need to wait another week before a call- please let me know-
